LICENSING & REVIEW

Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Notice for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 USC 181 (a) (1) provides that an invention is not patentable if it is a secret or confidential invention of the United States and its disclosure would result in the disclosure of information of a type that is not generally known or ascertainable by others in the art. This information is not to be disclosed to the public in any manner, including publication, until it has been declassified by the appropriate authority. This information is not to be disclosed to the public in any manner, including publication, until it has been declassified by the appropriate authority.
